

# Receive Faxes On Your Computer And Save Lots of Money

## Eligible Products

Products that must be purchased in order for you to qualify for a rebate are:

- Dialogic® Brooktrout® TR1034 Fax Boards - A high-performance intelligent fax board that offers both TDM- and IP-based fax capabilities
- Dialogic® Brooktrout® Technology Expansion Capability (TEC) - A software license that increases the feature set on the Brooktrout TR1034
- Dialogic® Brooktrout® SR140 Fax Software - Software that provides Fax over IP (FoIP) capabilities for integrating fax servers and fax management solutions with VoIP networks

## How Your Rebate Is Calculated

Calculating your rebate is simple.

The products listed above are considered Eligible Products, and the products you are replacing are called Trade-In Products. To see a detailed list of Eligible Products and Trade-In Products, go to <http://www.dialogic.com/promos/docs/fax-upgrade-product-list.pdf>.

If the number of ports on your Eligible Product is equal to or greater than the number of ports on your Trade-In Product, your rebate is US\$100 multiplied by the number of ports on the Trade-In Product. You may receive rebates on multiple pairs of Eligible and Trade-In Products.
